THREAT OF REVOLT OVER TAX MEASURE HEARD IN CAPITAL

New Measure Will Provide
Tax Reduction of 300
Million Dollars

DEMOCRATS WANT BIGGER REDUCTION

Repeal of Publicity Clause
Will Be Opposed By
the Insurgents

Washington, Nov. 7.—With the heart of the new tax bill agreed upon by the house ways and means committee, threat of a tax revolt to be carried to the floors of congress were heard today from the ranks of Democrats, insurgents and Republican Independents.

The new bill, as it will be presented to the house in December, will provide a \$300,000,000 tax reduction, with about \$190,000,000 of this amount slashed from the income taxes. Relief will be given all down the line, including estate taxes, and the house will be asked to repeal the existing publicity clause of the income tax law.

Democratic opposition to the bill in its present form will be based upon charges that the condition of the treasury justifies a \$500,000,000 slash in taxes and that the administration is saving another reduction for the congress meeting two years hence, in order to help their party in the following presidential election. The Democrats will demand far more sweeping reductions all down the line.

From the camp of the Republican Independents came announcements of opposition to repeal of the publicity clause and a general complaint that the new bill, as it now stands, gives the "poor man too little a reduction and the rich man too much relief." This too reflects the opposition of the insurgents.

Democratic opposition to the house committee's measure was voiced by Senator Swanson, (D) of Virginia, who declared the reductions should be reduced. He contended the administration was using up surplus to retire the public debt in a 25-year period, whereas heavy federal taxes could be eliminated if the debt retirement period were extended to 50 years.

The Republican Independents, led by Senator Norris, (R) of Nebraska, attacked the provisions for repeal of the publicity clause and the committee failure to provide for total income tax exemptions on all incomes up to \$5,000. Norris also opposed reduction of estate taxes.

The new bill's principal provisions include normal income tax rates of 15, 3 and 5 percent, instead of the 2, 4 and 6 per cent carried in existing law. Exemptions for single persons would be increased to \$1,500 and for married persons to \$3,500. Surtaxes would start at \$10,000, as at present but the maximum rate would be 20 percent instead of the existing 40 percent.

The 25 percent flat reduction for earned incomes would be retained and the amount affected raised from \$10,000 to a new maximum of \$20,000.

Chicago, Nov. 7.—The jailing of all persons who purchase bootleg beverages for home consumption may be the next step undertaken by the National Anti-Saloon League of America in connection in this city today.

The proposed enforcement of the prohibition act to the extent of jail sentences for the small purchaser was the object of a discussion at the convention today.

The strict enforcement was urged by former Congressman Andrew J. Volstead, author of the 18th amendment, in speaking on "Unusual Powers of the Prohibition Act." Mr. Volstead declared it was not necessary to obtain additional legislation to stop use of illicit liquor.

"The present law," he said, "provides for fining the purchaser, and a jail sentence for him running up to two years for repeated offenses. I would like to see some of these people who are too good to obey the law sent to jail."

I would depart from the country all aliens who are convicted of violation of the prohibition law. It is the people who buy liquor for home consumption and consider it no offense that are the real enemies of prohibition."

SALEM BOY WILL APPEAR IN FILM HERE NEXT WEEK

Salem movie fans will have an opportunity Monday and Tuesday of next week to observe one of their fellow citizens in action on the screen.

Manager Virgil Rakestraw announced this morning that through arrangements with Frank Corso, he will be able to present a one-reel comedy featuring Mr. Corso's son, Anthony, as comedian. The show is entitled "Rags and Hardships." The film was produced recently while Corso was visiting in Pennsylvania.

SUPT. WEBB QUILTS FAIRMOUNT, PLANS TO FIGHT OUSTER

Trustees Place Milner In
Charge Of Children's
Home Temporarily.

Trustees of the Fairmount Children's Home met at the home Friday afternoon to arrange for the handling of affairs there following the dismissal of E. E. Webb as superintendent. It was not necessary to carry out plans made earlier in the day for the forcible removal of Webb from the institution. On information that he had refused to leave, Prosecutor McClintock of Canton was prepared to take deputy sheriffs to the home and force him to retire, but when trustees arrived at the home they found Webb and his wife had gone and that J. R. Milner, appointed Wednesday evening as temporary head of the home, was in charge.

The prosecutor was informed that Webb had refused to turn over the keys to Milner, that he was continuing to use the county automobile kept at the home and that he held a meeting of his friends and supporters in the home Thursday.

Trustees said they had not taken any action Friday but had spent the morning in an inspection of the home. Webb consulted attorneys Thursday, preparatory to filing an appeal with the state civil service commission. He has 10 days in which to make a demand on the trustees for the filling of formal charges.

BUS STATION IN ANDERSON BLOCK

That Is Plan Being Worked
Out By The Y. and S.
Bus Company

If plans tentatively developed by the Y. & S. Bus Co. do not go awry the Anderson block on the corner of Roosevelt and Ellsworth will be converted into a bus station for the accommodation of passengers, shortly.

The Salem Tire and Repair Co. is expecting to vacate the rooms it now occupies and will be housed in the block directly adjacent to their present site, if the bus company carries out its plans.

It is understood that a ticket office and filling station will be installed in the section of the building fronting Roosevelt, while the remainder of the building will be converted into two store rooms. A drive is to circle the building with entrances on both Ellsworth and Roosevelt. A Youngstown architect inspected the building Friday and once the final arrangements have been completed with the owners, work on the renovation is expected to begin.

Kiwanis To Sponsor Boy Scout Troop 1

The Kiwanis club has decided to sponsor Troop 1 of the local Boy Scout organization. The club will direct practically all of the troop's activities in the future, providing them with meeting places and superintending them generally.

Nearly 100 parents and 40 scouts met in Columbiana Friday evening and enjoyed a social time as well as watching an exhibition of scout craft staged by the boys.

LIVING STANDARDS ON HIGHEST PLANE

Washington, Nov. 7.—America's commercial progress in the past year has brought living standards of the country to the highest plane in history. Secretary of Commerce Hoover declared today.

In a review of the year ending June 30, submitted to President Coolidge, Hoover summarized the outstanding developments as follows:

(1) — Production, consumption, wholesale and retail sales, foreign trade and "real" wages, broke records for normal years.

(2) — The United States displaced Great Britain as the world's money

DAYTON MAN ROBS BANKER IN EFFORT TO PAY HIS TAXES

President of Engineering
Company Is Captured
And Confesses

SECURES \$10,000 IN DAYLIGHT HOLDUP

Emulates Another Dayton
Business Man In Bold
Robbery Attempt

Dayton, Nov. 7.—Elliott Gabler, 30, president of the Gem City Engineering company, the lone bandit who held up and robbed Phillip J. Kloos, manager of the Xenia avenue branch of the City Trust and Savings company of \$10,000 yesterday, was placed under \$50,000 bond when arraigned before Judge W. G. Powell in Police court this morning.

A formal plea of not guilty was entered by his attorney and the prisoner bound over to the grand jury. Speedy justice was promised by County Prosecutor Albert Scharrer, who indicated that a special grand jury session will be called to act upon the case and bring it to a rapid conclusion.

Dayton, Nov. 7.—Faced with a term in federal prison for failure to make returns and pay his income taxes, amounting to approximately \$200, or make a payment of them plus a fine of \$1,000 on one hand, or a term in state prison if he failed to make his escape after "pulling" the deed, Elliott Gabler, 30, president of the Gem City Engineering company, this city, yesterday morning ventured into the realms of crime—and lost.

Gabler emulated another Dayton business man, and decided the only way out of his business and financial troubles was a bank robbery, a bold daring daylight job, with a quick getaway, and apparently holeproof alibi.

Today he had made a complete confession of the crime of holding up P. J. Kloos, manager of a branch bank for the City National bank. He escaped with \$10,000 but within one hour was in the hands of the law.

Similar To Nichol Case
In all respects, except the actual steps by which it was consummated, the case yesterday is similar to the Fred Nichol Case. The motive, design, victim, general method of escape, hiding place of the loot, original denial, final confession, standing of the novice in crime, in the community and business world and remorse at his deed, are practically the same.

The stolen funds—\$10,000—were recovered at 1 o'clock, followed by a complete confession at 2 o'clock.

Gabler's first attempt to rob Kloos, staged one week ago Friday, failed. At that time Gabler cut the feed line on the banker's automobile, but there was enough gas in the vacuum tank to propel the car to its destination and Gabler had no opportunity to stage the holdup.

Yesterday, however, he parted the feed line and plugged the intake with a rag, leaving just enough fuel available to carry the auto beyond the congested part of the city and beyond the range of traffic signals.

Officers were elected at the first autumn meeting of the Columbiana County Schoolmasters' club held Friday evening at the Leetonia High school. R. W. Hilgendorf of the Salem High school faculty, was chosen vice president.

C. A. White of Lisbon is president and E. P. Stonebraker of Leetonia is secretary-treasurer.

The dinner at this meeting was served by the domestic science department of the High school. Mr. Riley was the principal speaker of the evening and his talk related to the Filipino. A girls' octet from the Leetonia school sang and Mr. Smith of East Liverpool, gave several comic impersonations in song.

The February meeting will be in Lisbon. Those who attended from Salem are: Mr. Hilgendorf, Robert Vickers and J. L. Gray.

center, having absorbed \$1,332,000,000 in foreign securities, compared to \$471,330,000 a year in London.

(3) — Virtually no unemployment.

(4) — Vast expansion in scientific discovery.

(5) — Building construction totaled \$6,000,000,000, of which 46 percent went into residential structures.

Aside from "industrial patches" where progress lagged, as in the New England textile industry, some sections of agriculture and the bituminous coal trade, Hoover painted an optimistic picture of the nation's business fabric.

RAINS OR SNOWS AND COLD DAYS DUE NEXT WEEK

Washington, Nov. 7.—Weather outlook for the period, Nov. 9 to 14 inclusive:

Ohio Valley.—Period of rains about the middle of the week and again toward end of the week. Cold first part and near normal temperatures thereafter.

Region of Great Lakes.—Period of rains or snows about the middle of the week and again toward the end of the week. Cold at the beginning of the week and temperatures near normal thereafter.

ANDERSON MURDER TRIAL WILL OPEN IN LISBON MONDAY

Jury Selection To Occupy
First Day; Witnesses
Appear Tuesday.

The trial of George Anderson of East Liverpool, charged with murder in the second degree, will be called in common pleas court Monday morning and before Judge J. B. Worley of Cadiz, presiding in common pleas No. 2.

Witnesses for the state have been summoned to appear in court Tuesday morning. No testimony will be taken Monday.

Selection of a jury will occupy a major portion of the day and after the jurors are sworn, they will be taken to East Liverpool in custody of Sheriff George Wright to view the premises and surroundings where the shooting of young McLain took place.

Probably two days will be occupied in taking testimony and the trial may go into the third day, when argument to the jury will be made and the jury charged as to the law by the court.

The jury in this case will be permitted under the law to return one of several verdicts. In this case a verdict of guilty as charged could be returned, also one of not guilty as charged. In addition, under the law, the jury could return a verdict of manslaughter or assault and battery, or one of assault.

GOLF CLUB DINNER TO BE BIG EVENT

Vice President's Team To
Entertain President's
Team Nov. 18

Members of the Salem Golf club will gather at the club house Wednesday evening, Nov. 18, for the big golf roundup in the history of the club.

The occasion will be the dinner for which the president's and vice president's teams play every year on Labor Day. This year Vice President G. R. Deming's team lost, and the members will pay for the dinner to be served members of President W. H. Dunn's team. The dinner is for all members of the club, and those who did not play in the match will pay for their own meal.

After the dinner there will be fun, "fast and furious." Not a second will be lost in the introduction of one feature after another, all new in the entertainment at golf club dinners. A committee of 15 is making arrangements for the big fight, and an effort will be made to have every member of the club present. The program is to be a secret, but it will be novel enough to keep all interested throughout the evening.

CHURCH MEMBERS ASK OHIO COURT TO OUST PASTOR

Columbus, Nov. 7.—Seeking to oust the pastor, Rev. W. E. Elmer Bailey and other members from control of the property of the First United Evangelist church, Canton, David B. Wilson and other alleged trustees of this church today, appeared to the state supreme court.

Motion was filed with the supreme court for an order directing the Stark county appellate court to certify its record in the case of David B. Wilson, James A. Black, John J. Creighton, Walter F. Hampter, Newton B. Damer, Elias S. Gray, Jacob A. Schweisberger, as trustees of church, and other members of the congregation versus Rev. Mr. Bailey and Henry J. Fromm, David Tabenue, J. Edward Bowman, and William Staley.

Plan Donation Day For Home For Aged

Saturday, Nov. 21, will be the annual donation day for the Home for Aged Women, McKinley ave.

Donations can be left at J. M. Ashead's store, opposite city hall. Fruits, vegetables and money are desired.

Program Outlined For Better Book Week Celebration In City

Talks By Supt. Alan, Scout Executive Wilson, Rev. Scott
And Playlet For Children Will Be Features.

Better Book Week will begin Sunday, with a display of interesting books for adults at the Methodist church, with a goodly amount of inspirational reading.

Special attention to the introduction of wholesome and attractive books to parents and teachers and others concerned with young people's reading will be made during the week. Not just a book, but a worthwhile one is the aim.

The Public Library has an interesting program planned for the week. On Monday, Wednesday and Friday afternoons, at 3:45, an hour chosen for the convenience of the teachers, a book talk, followed by tea, and an examination of the books on display will be held at the Memorial building. Ladies associated with the library board will preside as hostesses.

On Monday J. S. Alan, superintendent of schools, will speak on "Books I Have Met," and Miss Chandler of Community Service association will give children's poetry. Mrs. Ashbel Carey and Miss Judith Brooks will be hostesses.

H. A. Wilson, scout executive, will speak Wednesday on "A Boy's Reading," and Mrs. L. T. Drennan will sing children's poetry. Mrs. W. H. Dunn and Mrs. Herbert Sharp

MAYOR RUSSELL ASKS ARMISTICE DAY OBSERVANCE

Mayor Signs Proclamation Calling
Upon All Citizens To Honor
Known And Unknown Dead.

Mayor George Russell today signed the following Armistice day proclamation.

"Whereas, Nov. 11, is known as Armistice day; and where as on that eleventh month, eleventh day and eleventh hour in the year of our Lord nineteen hundred eighteen, a world plunged into an hideous war, was brought by armistice to terms of peace;

"And as we still hold fresh in memory those days of horror and can recall the inspiring joy at the hour of peace;

"And because we wish to perpetuate the honor and respect for those who gave their tomorrows for our today; and since we wish again to refresh our spirits with the joy we felt in the newly secured armistice;

"I, George E. Russell of the city of Salem, do solemnly proclaim Nov. 11 as a day for all Salem citizens to observe as Armistice day, to honor our known and unknown dead and to join again in rejoicing in the happy days of peace.

"Let us, no matter where we are in our homes, in the office, in the shop, or on the street—nor what we are doing, pause for two minutes in prayerful respect as the eleventh hour dawns. Let all vehicles stop; let pedestrians stand facing the street uncovered and in silence as the invisible ranks of those we honor pass in review."

"I recommend that we all observe the day as outlined by the American Legion, Charles H. Carey post, No. 36."

"We urge for every citizen of Salem to celebrate each succeeding Armistice with thoughts of lasting peace until nations shall know no longer and a reign of everlasting peace be ushered in."

"Signed,

"G. E. RUSSELL,
Mayor."

WANT GEORGETOWN RD. PAVING PUSHED

Representatives of the Salem merchants, and trustees of Perry and Butler townships will go before the county commissioners at Lisbon Monday and urge that the improvement of the Salem-North Georgetown rd. be given early consideration under the new county road program just approved by the voters.

This road is included in the program by the commissioners, and it is considered of such importance to Salem that the commissioners will be requested to get the work of paving started as early as possible, in accordance with the new county program.

MOOSE HEAR FINE ADDRESS BY LUTZ

Frank R. Lutz is slated to have justified the high order of ability as a Moose orator, from the national arena among Moose lodges, by delivering one of the more eloquent addresses ever heard in Salem to a pleasing attendance at Moose hall last night.

Comment among Moose present was that those unable to attend missed a rare occasion. Mr. Lutz left on a night train for Lima, where he speaks tonight.

Some instrumental selections by Mrs. Charles S. Seneval afforded an entertaining diversion. Dictator William J. Beech presided. A lunch was served.

will be the hostesses for the afternoon.

"The Teen Age" will be discussed by Dr. Collier of the Methodist church on Friday, and Mrs. Edwin Dawson will speak on "What Shall We Read To the Children?" Mrs. F. J. Emeny, Miss Esther Boone and Mrs. G. R. Deming will be the hostesses.

The exhibits on display at the library, Memorial building, Salem Lighting Co. and Farmers bank will emphasize the better book idea for the young people, and will contain beautifully illustrated editions of the classics for children and inexpensive editions of worth while books, showing that there is a good book for every sized purse. Books desired for Christmas should be ordered through local dealers now.

On Saturday morning at 10 o'clock, in the Memorial building, the play, "Friends From Bookland" will be given for the children, under the direction of Miss Chandler of Community Service association, and Miss Bowman of the library. Book favorites will appear in real life. Grown ups, too, will be on hand to renew their acquaintance with childhood favorites, and to vie with the youngsters in guessing the name of the old friend come to life.

SHOOTING CHARGE IS NOT PRESSED; DENTINGER FREE

Mrs. Long Recovering From
Effects of Poisoning;
Family Reunited

The charge against George Dentinger, arrested Thursday night following a shooting affair in his home,

139 Broadway, was changed Friday afternoon to shooting within the city limits. Dentinger had previously been charged with shooting with intent to wound.

After talking with Leland Long and other members of the man's family the mayor released Dentinger from city jail where he had been held since taken into custody by Patrolman Wallace Kirkbride and Fireman George Lewis. Long declared he did not care to press a charge against his father-in-law. Mayor Russell stated the man would be at liberty only as long as he conducted himself properly.

Mrs. Margaret Long, who was removed to Central Clinic hospital shortly before the shooting, suffering from lysol poisoning, was reported to be much improved today. Physicians at the hospital believe that her recovery is practically assured.

Mrs. Long swallowed the poison, it is believed, in an effort to frighten her husband into more temperate habits. Long stated Friday morning that he believed his condition on the night previous had impelled her to act as she did.

After the woman had rushed to the hospital, Long became involved in an argument with Dentinger, during which Dentinger secured a revolver and shot his son-in-law in the arm.

A reconciliation was effected between the two men yesterday.

FIRM PROTESTS BUS ROUTE TO BERLIN CENTER

Columbus, Nov. 7.—Protest was filed today with the State Utilities Commission by the Youngstown & Sunbury Transportation Co., operating a motor bus line between Canton and Youngstown, via Salem and Alliance, asking the commission to reject the application of the Warren-Salem coach line for authority to extend its route from Ellsworth to Alliance, via Berlin Center and Deerfield.

The protest alleges that proposed service would interfere with its Salem-Alliance service and claims present transportation service in the territory affected is adequate.

Mrs. Camp Injured In Auto Accident

Mrs. H. G. Camp, of near Hanoverton, formerly of Salem, sustained a fractured ankle in an accident Oct. 30, while she and her husband were on their way to Florida, according to word received here.

The accident occurred when Mrs. Camp got out of the automobile to look at a sign board and was struck by a passing automobile driven by Mr. Fox of Beaver, Pa.

Mrs. Camp was taken to the Macon hospital at Macon, Ga. She has been unable to leave the hospital and is reported to be getting along well. Mr. and Mrs. Camp will stay in Georgia until Mrs. Camp is able to continue the journey.

JOHN REED KILLED INSTANTLY AS CAR WRECKS HIS AUTO

Motorist Hurdled Clear Of
Car. At East Liver-
pool Crossing

SKULL FRACTURED. LEGS ARE BROKEN

Widow and Five Children,
One Living in Leetonia, Survive

John W. Reed, 68, of East Liverpool was struck and killed by a Y. & O. R. car at 7:35 a. m. Saturday when crossing the track at the Claybourne ave. crossing in that city, which is near its limits.

Reed was riding alone in a Ford touring car and it is supposed that he failed to see the approach of the car when he drove onto the track. He was thrown clear of his automobile a distance of about 10 feet and his skull was crushed and both legs broken. He died a few minutes after he was placed in the ambulance.

Reed was a retired expressman, and was going into East Liverpool when the accident occurred.

Moorman Paul Farmer of Leetonia and Conductor Clark Burbeck, of Lisbon, were in charge of the car.

It is reported that relatives charge that the motorman failed to blow the whistle but the motorman claims that he had his hand on the whistle rope when Reed drove onto the track.

Surviving are his widow and five children: Roy, William, Albert, all of East Liverpool; Harley of Leetonia; Mrs. Sylvia Davis of Little Hocking, and two brothers and one sister.

The body was taken to Millers' morgue and Coroner Van Fossen of East Palestine, will see that city Sunday to give his verdict.

DAUGHTER CALLED IN BLAZER TRIAL

Son-In-Law Grilled, Leaves
Impression Doctor
Was "Queer"

Leetonia, Colo., Nov. 7.—Moving rapidly towards the state, the intriguing and intricate details of alchemist and expert witnesses will unfold to the hard-headed jury of Arapahoe county farmers and laborers the novel theories of various phases of insanity, the trial of Dr. Harold Elmer Blazer for the charge of slaying of his idiot daughter, Hazel Ingrid Blazer, today swung into its fourth day with the promise of continued and increasing hectic legal parrying.

Joel Stone, dynamic district attorney, prosecuting the 60-year-old doctor for what he terms "one of the most heartless and deliberate murders in the history of Colorado jurisprudence," will call to the stand early Mrs. Francis Bishop, second daughter of the defendant and herself a juror.

Mrs. Bishop at the corner's inquest testified she saw nothing peculiar to Dr. Blazer's action just prior to the tragedy. That she is in deep sympathy with the aving defendant is plainly evident from her daily ministrations over and conferences with her father in the court room.

Mrs. Bishop's husband, Roy E. Bishop, one of the state's witnesses, with stood a severe grilling yesterday concerning Dr. Blazer's peculiarities, but upon leaving the stand he created a distinct impression amongst the spectators that the old man had been "queer" for a long time.

STORES WILL BE CLOSED 2 HOURS ARMISTICE DAY

The Retail Merchants board at a meeting Friday at the Elks home decided to close the stores only between the hours of 1 and 3 p. m. on Armistice day. While a few of the merchants expressed themselves in favor of an all day closing the majority decided on the two hour shut down.

All the officers of the organization were re-elected to serve for another year. They are: President, William Kaminsky; first vice president, A. K. Switzer; second vice president, E. F. Hauser; treasurer, B. F. Flick; J. A. Schwartz and R. S. McCulloch were re-elected to serve as members of the executive committee.

Columbus Founders Kin Struck By Auto

Columbus, Nov. 7.—Due to injuries received in an auto accident here Lucas N. Sullivant, 82, great grand on the part of getting along well. Mr. and Mrs. Camp will stay in Georgia until Mrs. Camp is able to continue the journey.

Twenty Years Ago

(Issue of Nov. 7, 1905)

Lisbon—Mrs. Charles G. Wilson met death by drowning after a head plunge to the bottom of a 45 foot well. She was 22 years old and before her marriage two years ago was Olive Ruhl.

Albert Cone, father of Mrs. Louis Kaplan and Miss May Cone, this city, were killed in a runaway at Batavia, N. Y., last Thursday evening.

Gen. James W. Reilly, widely known throughout Columbiana county, was found dead in bed Tuesday morning at his home in Wellsville. For 40 years he was a practicing attorney at the Columbiana county bar.

Over in the corn belt of Illinois a cry is going up from farmers in need of help to harvest their corn. Millions of bushels are waiting the huskers and there are not enough to do the work.

COAL

FUEL THAT GOES FARTHER

Seven tons of our best coal will heat the average two-story house all winter in place of nine or ten tons of ordinary fuel. Some folks call it the "lazy man's fuel" because you only have to fire your furnace once in the morning and once in the evening—and clean out the ash pit once a week. Use this coal and you'll have a warm house all the time—but no soot nor clinkers—and the wife will never need to touch the furnace.

Mitchell Is Right Says Rickenbacker

Sandusky, O., Nov. 7.—Advising men, in order that Col. "Billy" Mitchell be given justice, Capt. Eddie Rickenbacker, famous American "ace" during the World war, declared here last night that "Mitchell was right" in his attack upon his superiors.

"Americans cannot wake up to the facts too quickly," he added.

AUTO LICENSES TO BE AVAILABLE DECEMBER FIRST

Auto licenses for 1926 can be obtained soon after Dec. 1. County Auditor Charles E. Hamilton, county registrar, announced today.

The first batch of license blanks has been received. An error appearing in the 1925 blanks has been corrected on the new blanks, the blank space being allowed for the appearance of the taxing district.

No 1926 license plates will be issued unless the applicant presents a registered bill of sale for the car for which a license is desired.

Dealers who now have cars on their floors taken in trade must obtain a bill of sale from the purchaser of a new car from the used car at the time the new car is possessed, it is explained. A check-up on these cars in

garages and for which no bill of sale is filed, is now contemplated.

CHURCHES

But You Don't

You can worship God in the woods and in the fields—but you don't.

You can worship God on the lakes and on the rivers—but you don't.

You can worship God on the roads in the auto—but you don't.

You can worship God in a different church each Sunday morning—but you don't.

You can worship God in your lodge and neglect your church—but you don't.

You can worship God by sending your children to Sunday school—but you don't.

You can worship God by going to church and taking the children with you—but will you—The Lookout.

First Presbyterian, Green and Lundy sts., Rev. Percy H. Gordon, D. D., minister, 9:45, Bible school, 11:30, Frank Smith Supp. Many a child would be a better child if its father and mother were establishing a Christian home. The great problem of the world today is not intellectual development, but that honesty of life, truthfulness, integrity that will keep a sane judgment of balance, and above all other things we need a heart of love that our relationships may be right. That is the basis for our study of the Word of God, the only safe rule we know of for practical living. We invite all ages to our Bible school. There is a place and a reason for the faith that is in us.

A Single Ride Explains Its Popularity!

A single ride proves why the Chrysler Four justly merits the tremendous popularity it has built up in a few short months.

In sustained high speeds—in pliability of power—in economy—in durability and in freedom from mechanical attention which result from high quality of design, materials and workmanship—in ease of handling—and most emphatically in riding steadiness and comfort—the Chrysler Four gives

results not found combined in cars of any type even beyond in price.

As distinctive as its performance is a beauty so advanced that popular desire sweeps towards it inevitably.

Your nearest Chrysler dealer is eager to give you this ride that proves why the Chrysler is the Favored Four among tens of thousands of owners.

SOCIETY

Millville Community Club

Marked by a large attendance the Millville Community club held an enjoyable masquerade party Friday evening at the schoolhouse.

Division 2 was in charge of the splendid program given. The "Dixie Land" orchestra gave several selections and made a hit with the audience. In the orchestra were Mrs. A. R. Greenamyer, Mrs. S. C. Jessup, Miss Mary Elizabeth Jessup and Mrs. Homer Dunn, pianist.

A dialogue, "A Meeting in Pumpkinville," was presented by these people: Mrs. Thomas Howells, Mrs. William Howells, Mrs. Raymond Greenamyer, Miss Laura Abel, Miss Marie Harbaugh, Donald Greenamyer, Gerald Lippitt and Herbert Howells. Here are the other numbers: Vocal solo, Herbert Howells; reading, Mrs. W. L. Holwick; vocal solo, Marie Harbaugh; tableaux, "Sally Gardens," Miss Harbaugh; vocal solos, W. L. Holwick; two vocal duets, Mrs. L. Oesch and Mrs. Thomas Howells; humorous original paper, "Radio Rigmarole," Mr. Holwick.

Officers will be elected at the next meeting on Dec. 4 and Division 3 will be in charge of the program.

Class Elects Officers

Mrs. Clarence Bailey was hostess to the members of her Sunday school class of the First Baptist church Friday evening at her home in Ohio ave. At this time officers were elected for the coming year. They are: Ada Lottman, president; Catherine Moffitt, vice president; Emily Mullett, secretary; Eula Riffle, treasurer; Lillie Bo Surgett, chairman of the flower committee; Lucille Davidson, Eula Riffle and Catherine Moffitt, members of the social committee. Mary Myrtle Older was elected chairman of the membership committee.

The next meeting of the class will be the first Friday evening in December.

Gave Chinese Party

At a prettily appointed Chinese party Mrs. Omar Rinehart entertained her club associates Friday afternoon at her home, Cleveland ave. Bridge was a favorite diversion and prizes went to Mrs. Frederick Tomlinson and Mrs. H. V. Zimmerman. Mrs. Wilbur Haffley received the guest prize. The prizes the hostess gave were all from China, brought home by Mrs. Amelia Ealy, of Washington, when on her trip around the world. Mrs. Ealy is Mrs. Rinehart's mother. A Chinese lunch was a pleasing conclusion. In two weeks the members will meet with Mrs. Charles Snyder, Broadway.

Honor Recent Bride

As a post-nuptial bride to Mrs. Chester Mellinger, formerly Miss Ruth Barton, a group of 15 friends, were entertained at a lovely party Thursday evening as guests of Misses Beatrice Conkle, Sara M. Zimmerman and Leonora Asty at the former's home, Roosevelt ave. The delightful affair came as a complete surprise to the honor guest, who was presented with a shower of miscellaneous gifts. The hours were spent in an informal social manner during which the associate hostesses served a pleasing lunch.

Hostess to Class

Fifteen members of the Sunday school class of the First Methodist church, taught by Mrs. James Primm were delightfully entertained Friday evening by Miss Lillian Walker at her home, East Fourth st. Various games and music were diversions, and in the contests the prizes were captured by Louise Fallert and Mary Ann Hunt. A delicious lunch was served at the conclusion of the evening's pleasure.

Entertains For Brother

Mrs. Perry Hilliard delightfully entertained a number of young men Thursday evening in honor of the birthday anniversary of her brother, Jesse Youtz. The affair came as a complete surprise to him. The evening was devoted to playing "500," and at the conclusion of the games the hostess served a lunch. The honor was the recipient of a number of lovely gifts.

A Luncheon-Bridge

Autumn flowers were used with pretty effect on the table and in the home when Mrs. R. A. Montgomery and Mrs. John Montgomery entertained 18 of their friends Friday at a luncheon-bridge, at Mrs. John Montgomery's home, Garfield ave. In the bridge games Miss Ella Kirkbride and Mrs. Walter Harwood captured the prizes.

Success Club

Members of the Success club spent Friday in Youngstown. They visited the stores, had their dinner at the Liberty cafeteria and attended the show at the Hippodrome theater. In four weeks a meeting will be held at the home of Mrs. Jesse Gray, West Eleventh st.

J. Corry Baker of Pueblo, Colo., arrived in Salem Friday afternoon to attend the funeral of his mother, Mary A. Baker, who died suddenly last Tuesday night. Mr. Baker will remain here a few days, and then return to his home, stopping en route at Alton, Ill., to visit a son, Stanley P. Baker, who is superintendent of a steel mill there.

Mr. and Mrs. Harry Bard and Mr. and Mrs. Lloyd Schaeffer have returned from Canton, where they attended the funeral of Mrs. Edward Long. Mrs. Long was known in Salem through her visits at the Bard home.

Mrs. Susan Schwartz, East High st., will leave Saturday evening for Washington, where she will spend the winter with her daughter, Mrs. Mattie Mehrten.

Mrs. W. C. Coffee, West Seventh st., is ill in the Central Clinic hospital. She is in such a condition that no visitors are being admitted.

Mrs. Oliver Baily and infant son, who have been visiting her parents at Wilona, have returned to Barnesville.

Junior Class Party

The High school gymnasium was the scene of an enjoyable affair Friday evening when members of the Junior class held a class party. There were about 130 in attendance, including the members of the class and faculty.

The entertainment committee had prepared a most entertaining program which consisted of the following numbers: A stunt by Messrs. Grant, Wherry, Brennan and Owen, members of the faculty; a one act pantomime, a novel entertainment by a mechanical doll and Don Ward and Wayne Brown took the parts of the Jacks. Miss Ruth Bolen also favored with a dance, and there was a dance by the two "little" girls, Roberta Reese and Mary Konert and the Jacks. There was also a wizard, Joe Marsilio, in attendance, who answered any questions asked him. This was a very enjoyable feature.

The gym was attractively decorated in the class colors, orange and blue. At the conclusion of the program the remainder of the evening was devoted to dancing, the music being furnished by the Moonlight Serenaders. Concluding the evening's enjoyment was a delicious lunch served by members of the refreshment committee.

Mary and Martha Guild

The girls of the Mary and Martha Guild of the First Presbyterian church with their patronesses, Miss Ora Vincent and Iva Hoopes, were entertained Friday evening by Miss Marian Montgomery at her home, Ellsworth ave.

During the business session plans were made to send a Christmas box to a mission school, the Occidental Day School, in San Francisco, Calif. A new study book, "The Story of Missions" was begun at this time and reports from the first two chapters were given by Misses Alice Ruth Fasig, Lena Thompson and Louise Thumm.

Arrangements were made to have a "hot luck" supper at the next meeting, the first Friday evening in December, which will be held at the church.

At Holk Home

Mrs. Christ Holk entertained a number of friends at her home on Woodland ave. Friday in honor of Mr. and Mrs. H. M. Smith and Mrs. Holk's son, George, all of Detroit. Guests were present from Alliance, Columbiana and Warren.

Mr. and Mrs. Smith and Mr. Holk left for Detroit this morning.

Misses Olive Walter and Gladys Hitchings of Niles schoolmates, of Miss Nellie Walker at Kent normal school are guests over the week end at her home, East Fourth st.

Loren Herbert, student at Ohio university, Athens, is spending the week end with his parents, Mr. and Mrs. S. G. Herbert, Roosevelt ave.

William Reynard returned home Friday after a visit with his grandchildren, Mr. and Mrs. C. B. Perry of Warren.

R. C. Kridler returned Saturday morning from Florida where he spent the last two weeks. Gordon Scullion of Woodland ave. has entered Salem City hospital for surgical treatment.

Mrs. C. W. Kaminsky is ill in the Central Clinic hospital.

COURT NEWS

Jury For Jefferson

Jefferson county has retaliated against Columbiana county for its summoning of a Jefferson county jury several years ago to hear the testimony in a case that was heard in common pleas court against the Columbiana county commissioners, by having a Columbiana county jury drawn to report at Steubenville Monday morning to hear the testimony in the case of Lewis A. Pijanowski against the Jefferson county commissioners. This is a damage action, and the law provides that under the circumstances a jury from an adjoining county shall be summoned.

Jurors drawn to report to Judge Jay S. Paisley at Steubenville Monday are: C. A. Knox, Salineville; C. J. Vogel, Thomas S. Henry, Charles C. Culp, J. H. Baum and James C. Bestty, all of Wellsville; Robert M. Nowell, Charles Koutnier, Ellwood M. Pusey, and Mrs. Alva Dummerling George E. Shawke, Ed. C. Teeman, Emerson S. Bowman, all of East Liverpool; J. A. McIntosh, East Liverpool; R. D. Clara Morrow, East Palestine; E. M. Peters, Salem.

In the damage case the Jefferson county jury heard in this county a verdict against the county was returned.

Judgment For \$692

Judgment by default for \$692.49 has been taken in common pleas court in the case of B. Kuppenheimer & Co. against Philip H. Nevins of East Liverpool. The action was one in attachment.

Atty. L. M. Kyes of East Palestine has filed a motion for the defendant in the case of S. Breakstone, doing business as the National Fashion Shop, East Liverpool, against Hartford Fire Insurance Co., to strike out certain allegations made in the petition of the plaintiff. The court granted leave to file the motion instantly.

Petain Claims Riff Chief Is Surrounded

Marselles, Nov. 7.—"Abd-el-Krim is surrounded and there is nothing more to fear from him. Our military action is completed."

Marshal Petain made this statement upon his arrival here today from Morocco.

IRISH TO SETTLE BORDER DISPUTE

London, Nov. 7.—The long outstanding dispute over the border between Ulster and the Irish Free State appears today in a fair way towards amicable adjustment.

Reliable political circles report that the boundary commission, appointed by the British government, has formulated an unanimous report which will probably be eventually accepted by Ulster and the Free State alike, although it is not expected that the report will be accepted without some bickering.

No entire counties are transferred from one state to the other under the terms of the report, it is said, but detailed adjustments of the border are made.

Ulster, it is reported, will receive an important though small section of Donegal in the vicinity of Londonderry, from Lifford to a point along the shores of Lough Foyle near Moville.

ABSENT 58 YEARS. RECOGNIZES HIS FRIENDS AT ONCE

Martins Ferry, Nov. 7.—It is not every man who could call by name a friend he had not seen since February 1867.

But Archie Fisher, who left Martins Ferry 58 years ago, did that little thing without any hesitation. In 1867 John Fisher moved from here to Macomb, Ill., and waited 58 years before returning to Martins Ferry.

While walking along the street there, he met L. C. Sedgwick, one of the four persons still living here, whom he knew back in the Civil war days.

Without a moment's hesitation, Fisher, now an old man, addressed the equally aged Sedgwick.

"Hello, there Sedgwick," he exclaimed. Fisher, who is now 78 years old, also recognized George H. Smith, Samuel Dean and Judge John S. Cochran.

Fire Damages Twenty Autos, Razes Station

Cleveland, Nov. 7.—Fire early today in the Detroit Electric Service station, 1936 East 84th st., destroyed the station and damaged 20 automobiles stored there. The loss was estimated at \$55,000. The fire was believed to have started in a pile of waste.

Investigate Charge Against Sororities

Columbus, Nov. 7.—Charges against four O. S. U. sororities are scheduled to be considered at a meeting here today of the Ohio State university board of trustees. These sororities recently were found guilty of violating "rushing" rules.

ITALIAN AVIATOR COMPLETES 34,000 MILE TRIP ALONE

Rome, Nov. 7.—Commander de Pineto, Italian aviator, landed here at 3:06 this afternoon, concluding an epic flight.

Commander de Pineto has accomplished a flight from Rome to Tokyo and return, covering more than 34,000 miles, establishing what is claimed to be a world record in distance for a solo flight.

The flier was hailed here as a hero. Thousands gathered to pay him tribute as he brought his plane down along the banks of the Tiber.

The Fascist government granted all civil servants a public holiday in celebration of de Pineto's return.

Premier Mussolini and the cabinet will give a banquet in honor of the aviator tonight.

FIREBUG BLAMED FOR DESTROYING WHEELING PLANT

Wheeling, W. Va., Nov. 7.—The plant of the No-Leak-Paper Dish company was destroyed last night with a loss in excess of \$150,000 and today one man is under arrest while an investigation is under way as to the origin of the fire.

The blaze started about 9:45 o'clock and large quantities of paraffin igniting made it a spectacular blaze. This morning water was still being pumped upon blazing ruins and railroad traffic is tied up upon lines paralleling the burned plant.

Firer had narrow escapes when walls fell in. George "Bull" Kraft was arrested early this morning pending investigation. He is a former fireman and was arrested ten years ago for arson.

APPEAL FOR OHIO CANAL IS HEARD

Youngstown, Nov. 7.—An appeal hearing from an adverse decision of the board of rivers and harbors, United States War department, was conducted today at the Ohio hotel.

Arguments in behalf of the canal project were presented by representatives of the Lake Erie and Ohio River Canal board. The hearing today represents the canal board's last stand.

If the rivers and harbors board overrules the appeal, the canal project will be given virtually a death blow, on the other hand, if the appeal is sustained, it will mean a big stimulus for the project, and perhaps ultimate construction of the waterway.

An important fact developed at today's hearing was that the canal cost will approach \$100,000,000, against estimates several years ago of \$65,000,000. The increase is due to higher values of land necessary to be acquired and to advanced construction costs.

DEATH NOTICES

Joseph D. Cook
Word has been received by relatives here of the death of Joseph D. Cook, 71, which occurred at 10 p. m. Thursday at his home, five miles north of Alliance, near Deerfield. Mr. Cook had been in ill health for several years.

He is survived by his wife, Malinda Cook, and one son, Louis T. Cook of Alliance; one brother, Frank P. Cook, East High st., and other relatives in Salem.

The funeral service will be held at the home at 2 p. m. Sunday, with burial in Hope cemetery, this city, about 4 p. m. Relatives and friends may view the body at the cemetery.

MUSSOLINI WILL DECIDE FATE OF DEBT AGREEMENT
Washington, Nov. 7.—The voice of Benito Mussolini, which makes and breaks things in Italy, is to speak possibly the deciding word in the terms for funding Italy's debt of \$2,153,000,000 to the United States.

The negotiations between the American and Italian funding commissions here have reached a stage where an agreement is imminent—if Mussolini speaks the word. It may come Monday, but more probably Tuesday.

W. J. Burke Dead
Pittsburg, Nov. 7.—William J. Burke, 63, former congressman, died today, following a series of hemorrhages of the throat and nose.

VAHEY GASOLINE BUSINESS GROWS; PLAN NEW STATION

Great Progress Is Made By Company In Sale In Last Six Years.

Coming to Salem some six years ago as strangers in this community, the Vahey Gasoline Co. has made wonderful progress in the marketing of gasoline, kerosene and lubricating oil products in and around Salem.

A lot was purchased at 224 Hesperia ave. at the west end of the Pennsylvania railroad tracks where the original plant was located. Since then adjoining property has been purchased, a large warehouse has been built, storage tanks erected, an unloading station constructed and equipped and at this location the general offices of the company are maintained.

Woodward, manager of the plant, has purchased property here and has moved his family here to make Salem his home. "Jerry" Mead, formerly connected with the Standard Oil Co. and well known in this territory, has been added to the sales force and represents the company in and around Salem. Miss Eva Patton, a graduate of Salem Business college and a competent bookkeeper, is in charge of the office at the company's plant.

The lubricating warehouse, gasoline storages, etc. are handled by George Stowe, formerly in the garage business here. Mr. Stowe has been with the company some time and lives in a house adjoining the plant on the west.

The delivery trucks and deliveries are looked after by Harry A. Pullerton and Emmett Woolfe. These men have had a great deal of experience in their respective lines.

The service station at the plant is operated by C. E. Greenamyer and Russell Limestone, both well known Salemites.

New Filling Station
In the spring of 1925 Ivory colored paint was adopted for use on trucks and buildings which make the color scheme uniform and adds to the appearance of the equipment and buildings.

The Mackintosh property on Lincoln ave. at the corner of Pershing has been purchased by this company. Arrangements have been completed to clear this location and early in the spring of 1926 a modern filling station will be erected that will be a great improvement to the corner.

The company has located stations on the streets leading in and out of Salem endeavoring to cause as little inconvenience to the public in having their motoring needs taken care of as possible.

NEW YORK ELKS CLUB TO FIGHT PADLOCK ORDER

New York, Nov. 7.—The Elks' club will not submit to padlock proceedings on the ground that it violated the national prohibition law.

Officials of the club indignantly denied today that the law had been broken and refused to consent to a six months padlock.

Members of the club expressed their indignation in no uncertain manner at the action of United States Attorney Emory R. Buckner who instituted criminal proceedings against the club before the federal grand jury.

Club officials said that, unlike many restaurants which consented to close when Buckner got after them, the Elks' club will fight it out in court to the last ditch.

Twelve employees of the club were summoned to the federal building and questioned. Nine kegs of what was alleged to be real beer recently were seized in the club. The first samples examined by a federal chemist showed less than one-half of one percent alcohol. A second sample, it was said, revealed more than three percent alcohol.

Hit-Skin Motorist Kills Ohio Officer

Lorain, O., Nov. 7.—Police today were seeking the driver of a green automobile who last night killed Patrolman Charles C. Deal, 40, as he was directing traffic around two wrecked automobiles. The driver did not stop. The accident occurred on the Elyria rd. just south of the Lorain, Ashland & Southern crossing.

Paymaster Held Up

Harrison, N. J., Nov. 7.—Armed bandits held up a paymaster of the Public Service Production company early today and escaped with a \$12,000 payroll.

The high-wave reception range of the Grebe dial (B)—from 550 down to 240 meters—equals the practical tuning range of the usual receiver. The low-wave range of the Grebe dial (A) provides additional reception down to 150 meters.

You Don't Need Two Radio Receivers

OVER 100 existing stations, with worth-while programs, are beyond the reach of the average receiver because it cannot tune below 240 meters.

Thus, to get both high and low-wave stations requires two receivers—unless you own a Synchrophase. Due to its Low-Wave Extension Circuits—exclusively Grebe—it will receive all stations from 550 down to 150 meters. One dial covers this complete range.

Ask for a demonstration of this and the other recent Grebe developments: then compare

CARMI THOMPSON FIRST GOVERNOR CANDIDATE OUT

Columbus, Nov. 7.—Col. Carmi A. Thompson of Cleveland, has "thrown his hat into the ring" as a candidate for the Republican nomination for governor. His formal announcement was made last week at a political meeting at Warren. He is the first candidate for governor to make formal announcement.

Col. Thompson's friends believe he should have the nomination and another try at the governorship because of his past record of unflinching loyalty for and activity in the party. They claim it is a fitting climax to his long public career. They point out that he has served his party as secretary of state and as treasurer

of the United States and in other responsible positions and that at the present time he is the active head of the party in Ohio.

The fact that he was defeated by Gov. Donahay in the election three years ago should not weigh against his aspirations at this time, his friends say, pointing out that President Harding was defeated by a big majority for governor in 1910. Harding, they say, staged a big comeback and was elected to the United States senate and then to the presidency.

His friends contend that Thompson

"Lest We Forget"

"Lord God of Hosts, be with us yet,
Lest we forget--lest we forget."

Once a year the Jewish fathers of old time gathered their family together and recounted to the children the "meaning of these stones," explaining to them the "way God had led them," and praised God. Then, they started out afresh, yes, refreshed, to their task with a firm determination to walk in His way.

We have our "silent dead" speaking to us. May we raise a monument to their memory. But we have also the "living soldiers" with us. Some bear in their bodies the "marks" of their sacrifice. Others, may seem to be strong, vigorous, well, but their lives are shortened and from time to time we know their bodies will weaken under the effects of their warfare.

It is a fine time to renew our allegiance to our country, and to the principles for which it stands: faith in God, faith in our fellow-men, and faith in our government under God, for us at least, the greatest in the world. Perhaps the Minute-men have a call for us today! Attention! My Countrymen!

---Percy H. Gordon

Rev. Geo. W. Shelton, D. D., Pittsburgh, Pa., will make the Armistice Day address. The churches of the city are co-operating with the American Legion and others, in properly celebrating this day which we hope will always remain fresh in our memories. After the Prayer Meetings on Wednesday evening, the American Legion will share with the public the privilege of hearing Dr. Shelton speak on "Democracy on Trial," at 8:15 p. m., in the First Methodist Church, Broadway.

EIGHT DROWN AS BARGE FOUNDERS

Barge In Tow of Steamer Breaks Away, Founders In High Seas

Sault Ste. Marie, Mich., Nov. 7.—Eight persons, one of them a woman, are believed to have drowned in Lake Superior when the barge J. L. Crane, in tow of the steamer Herman Hettler, broke away during Thursday night's gale. News of the wreck was received when the Hettler reached here this morning minus her tow.

The Hettler landed here and appealed to coast guards for aid in searching for the crew of the barge with a slight hope that they might have donned life preservers and survived in the water 50 miles off the coast near Sault Ste. Marie.

The barge, according to Captain Hans Hettler, was in tow during a terrific gale and was progressing under sail, when the tow post on the Hettler was torn out with a splintering crash. The lights on the steamer were partly extinguished and a steam pipe broken, filling the vessel with steam. The dining floor was torn from its setting.

The barge foundered the instant the tow post broke, according to the captain, and all efforts to get near the wreck were in vain because of the high seas.

High School Notes

Dr. H. K. Yagzi talked to the students at their rally Friday afternoon in the High school auditorium. The rally, which was to arouse interest in today's game with Wellsville, was opened by the junior cheerleader, Miss Mary Schmid, who after calling the football team to the stage, led the school in a number of yells. Supt. J. S. Alan told the students that new blankets had been purchased for the football team.

Dr. Yagzi in his talk brought greetings to the school from its ex-star football player, Harry Hauser, a member of last year's class, who is attending Lafayette. Harry is making good at Lafayette and is very popular among the students. Dr. Yagzi also told of one of the greatest games of football he had ever seen that between Penn and Illinois in which "Red" Grange played.

The assembly was closed by a number of cheers led by the senior cheer leader, Robert Davis.

SECOND STRINGERS WIN FROM CANTON

Salem High Second Squad Slips One Score Over On Conkle's Boys.

Salem High second stringers defeated "Tiny" Conkle's Central High school griders of Canton Friday evening in a moist and not any-too-well-played game at Reilly field. Salem's touchdown was more or less of a fluke tally, occurring in the first period.

After Salem had kicked off the two teams seassawed back and forth on the field for a time. Finally Salem punted the ball landing near the three-yard line. Canton's safety man however fumbled the slippery ball and Matthews recovered it for Salem. E. Matthews then carried it over the goal line on the third try. Sidingier proved equal to the task of adding the final point as he failed to boot the goal.

Penalties were seemingly the order of the day and both teams had a number of chucks against them when the contest ended. The passing was of course and some of the putting was terrible. However, there were a number of men on both teams who acquitted themselves very creditably. Konnerth, Sidingier and Matthews played very well for Salem and Green and Culp doing the honors for Canton.

Here is the lineup:
SALEM: L. H. Beadle, L. T. Miller, L. G. Kocetz, R. M. Millie, R. G. Garauy, R. T. Fowle, R. E. Haines, P. Sidingier, L. H. Stotesberry, Konnerth, R. H. Green, Herbert, F. Culp.
Substitutions—Salem, Fults for Gibbons, Judge for Simonds, Seeds for Liebschuer.

ZILL MEETS KATZ HERE WEDNESDAY

Four Good Bouts Lined Up For Show At Memorial Building Ring.

Jimmy Zill, Youngstown, and Jimmy Katz, Toledo, will meet in the feature 10-round bout of Charlie Canfield's first boxing show of the winter season at Memorial building next Wednesday.

The boxers will enter the ring at 122 pounds.

Three other good bouts have been billed by Canfield.

Happy Hartman, Canton welter will take on Al Kinder, of Alliance in an eight-stanza semi-final. According to the advance dope on these lads this bout will rival the headliner for honors.

Young Reason, Massillon bantam, a great favorite here, will make his third local appearance by mixing with Joe Corsey, of Canton, in six rounds.

The curtain-raiser will be Young Deunsey and Tiger Flowers, both of Canton, at catch weights, in a six round affair.

All Zill, Youngstown promoter, will referee the bouts.

PLAY FOOTBALL GAME BY PLAYS INSTEAD OF WATCH

Providence, R. I., Nov. 7.—A distinct innovation in football will be attempted here this afternoon when Brown and Boston university will complete their game by plays and not by the watch, for the first time on any gridiron.

Forty plays automatically will complete each period and, in order to assist the players and spectators, large numbers will appear on the score board, showing the number of plays remaining for each quarter. The numbers will range from 40 down to one.

The plan was evolved by Harry R. Coffin of Boston in collaboration with Reggie Brown, the Brunonian, back-field coach. Coffin will be on the side lines to offer solutions to any difficulties that may arise during play.

Discovers Method Of Rejuvenating Women

Vienna, Nov. 7.—Details of a new and highly successful method for rejuvenating women, were unfolded to members of the Academy of Science here today by Dr. Eugene Steinach, internationally famous for his researches in rejuvenation.

Dr. Steinach said that he achieved his old age cure by introducing an extract obtained from the female organism into the bodies of women desiring to be young again. The new method is somewhat similar to an other announced several years back by Dr. Steinach.

BASE FOR RUBBER INDUSTRY LIES ON THE AMAZON RIVER

That Is Report Submitted To American Industry By Herbert Hoover.

Washington, Nov. 7.—Pushing the campaign to free American industry from the grip of foreign monopolies in essential raw materials, Secretary of Commerce Hoover today advised American capital that the base for a gigantic rubber industry lies along the Amazon river in South America.

Hoover's report was based on a raw material survey submitted to him by a committee of experts. With proper development by American capital a source of supply to meet the heavy demands of industry of United States for rubber may be established, according to the survey.

The report, a chapter in Hoover's world wide study of raw materials, show that there are fully 150,000 acres of land along the Amazon available for rubber plantations. The territory is tapped by excellent water communication, free from dangerous political obstacles and capable of

producing from 25,000 to 30,000 tons of rubber annually.

While the potential production would not greatly affect the American market which this year probably will consume over 520,000 tons of rubber, the Amazon offers the foundation for a vast rubber producing area, government experts found.

Among Hoover's suggestions to meet foreign monopolies in rubber and other materials, is that American citizens go abroad and finance rival production plants. The rubber report, following a survey of the same industry in the middle east and Philippines, is aimed at encouraging foreign investments.

The United States has approximately \$175,000,000 invested in South American nitrate, copper, silver, oil, meat packing and the tanning industries but attempts at establishment of rubber plantations so far have not been successful. Failure is believed due to the former low price of rubber.

The Vahey Gasoline Co.

WITH GENERAL OFFICES AND PLANT AT 224 ROOSEVELT AVENUE AND SERVICE STATIONS CONVENIENTLY LOCATED IN SALEM AND VICINITY IS A LOCAL CONCERN WHO ARE PRODUCERS OF THE FAMOUS "MARWOOD" GAS AND "MARWOOD" OIL AND WHEN YOU BOOST "MARWOOD" PRODUCTS YOU ARE BOOSTING FOR SALEM AND COLUMBIANA COUNTY AND AT THE SAME TIME SECURE THE HIGHEST GRADE OF GASOLINE AND LUBRICANTS OBTAINABLE FROM A CONCERN UNDER PROGRESSIVE MANAGEMENT OF PEOPLE OF WIDE EXPERIENCE IN THE OIL BUSINESS.

By reason of the volume of business transacted through their extensive establishment, because of the up-to-date business methods of the firm and the high quality of the products which it handles, this well known oil firm has gained for this section a commercial prestige through their service that could be gained in no other manner.

Through the channels of trade of this well known concern thousands of dollars are brought into this section each year and a number of people are also given employment by this concern. The fact their trade extends over all adjoining territory brings added prosperity to the community.

Their oil and gasoline needs, no comment here. The wise motorist is he who goes to the station where he sees the sign of "Marwood" which is well known for its excellent service

and the courteous treatment all patrons receive. But more important than this is the fact that they are the distributors for the best products.

When you use their oil you KNOW that you are using the BEST.

Their products will be found in demand by all who insist on the best.

When you buy gasoline you want full value in power and mileage. You want pep on the get-away; smooth, steady action on the trail.

You get no "souvenirs" with Marwood. When you drive to a station and have your tank filled with Marwood your premium is increased power and mileage; a sweet running motor; increased compression; absence of carbon troubles—100 per cent service and satisfaction.

Another thing—you don't need any "chemical coaxes" in this wonderful new highly refined gasoline. "Mar-

wood" is "all there"—needs no additions.

Every day Marwood wins new friends. If you are not on the list, start today! Give it a test—prove that this gas does all they claim for it.

This gas is a straight-run gasoline that adds to the life of any motor. It is economical—saves repair bills and gives more miles per gallon.

Quality products has always been the policy of this well known oil concern. It has seen other firms rise in a burst of publicity and promise only to sink into the commercial oblivion which is the reward of all dealers who devote more time and attention to sensational selling methods than to quality products. While keeping thoroughly abreast of the times, this house has ever believed that when a patron ask-

ed for a special grade of oil he should get that particular oil and they have made it their invariable policy to see that he got it. Whether it were engine oil or cup grease or anything else in their line the trade has come to understand that when it came from this house it was of the very highest quality at the most reasonable price the market permitted.

So extensive and established has become their trade that their products are known everywhere.

Each department of The Vahey Oil Company is in charge of a man thoroughly conversant with the wholesale business conditions of the country, whilst the management is in charge of a man of wide experience in the buying world, familiar with retail trade conditions, and this firm has become one of the most valued of our commercial assets.

"an opportunity that never before existed"

—the Overland Standard Sedan, a full-size 5-passenger automobile—a 4-cylinder beauty patterned on smart modern lines, clean-cut, rakish, low. Body finished in polished lacquer, a rich deep blue with flashing black and nickel trimmings—as handsome a light car as you ever looked at.

Extra big Doors—extra wide—easy entrance and exit to both front and rear seats...

The Widest Seats of any light-car built—new single-piece undivided front seat...

Very latest one-piece Windshield—you can always see where you're going...

Big Wide Windows—more than 20 square feet of window space...

New Cool Ventilator—a modern big-car feature—a comfort only more costly automobiles give...

Triplex Springs—with 30 inches more spring-base on a 100-inch wheelbase...

A 27-horsepower Engine—sturdy, reliable—fast on the straightaways, great on the hills—extraordinary economy on gasoline and oil...

Sliding Gear Transmission—three-speed, selective—at the lowest price at which you can have a car with this modern transmission...

... if you've been thinking that only one maker could build the car you could afford, step in and see this Overland Sedan. Here's a modern closed car, priced at only \$595!

"a magnificent Six— for only \$895!"

—"a car of spectacular beauty" with "an engineering masterpiece under the hood of it!"

"An exquisite color combination"—it takes a woman to tell it—Two beautifully blended tones of grey, topped off in glistening jet-black, a double beading all around the waist-line—"The way they gather around it, and their open admiration—it is almost embarrassing," another woman-owner exclaims. Nothing so attracts the man-or-woman-in-the-street as something distinctly out-of-the-ordinary in an automobile!

"It's all that inside room that makes a hit with me"—Driving or riding, a man likes plenty of space to move around in. Put 5 full-grown people into the ordinary Sedan and somebody is crowded. Put the same 5 into this spacious big Overland Six and everybody is comfortable...

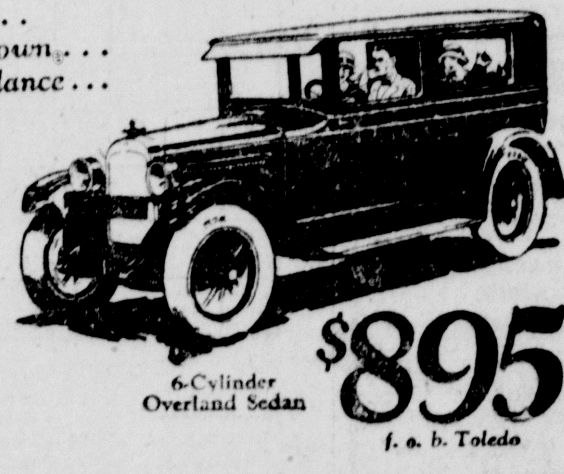

"Over 5300 miles and the motor hasn't missed a shot". And in this 38 horsepower big Six you have an engine as nearly flawless as automotive engineering can make it.

All controls centered at the driver's finger tips... One-piece windshield... Efficient windshield wiper... sun visor... legal head lamps... Fisk full-size balloon tires... Long, flexible Chrome Vanadium Springs especially built for balloon tire equipment... Do you wonder it has taken the factory 9 months to catch up on production when such a magnificently-equipped car as this is priced at only \$895!

COLLEEN IN "IRENE"

The script for "Irene" which First National will produce with Colleen Moore as star has been completed, according to an announcement from the office of June Mathis, editorial director, and production will be started today on the screen version of the famous musical comedy.

Al Green, who directed Miss Moore in "Sally" and who has a number of big screen successes to his credit, will handle the megaphone on the breezy comedy for Colleen.

The cast of the picture which will support Miss Moore, includes Charlie Murray, Kate Price, Lloyd Hughes, George K. Arthur and others famous on the silver screen.

WEARS 21 GOWNS

Constance Talmadge is assembling the most dazzling wardrobe of her career for "East of the Setting Sun," her next starring vehicle for First National, which probably will enter production on the Coast the latter part of October.

To aid her in selecting some of the creations she is to wear in her role of a modern Princess Josephine, John W. Considine, Jr., general manager of the Joseph M. Schenck Productions, has telegraphed descriptions of 25 gowns to Miss Talmadge in New York. The elaborate creations will be ordered from Madame Frances, and Mr. Considine supplied the star with detailed data on gowns after

conferring with Erich von Stroheim, who has just completed the screen adaptation of the George Barr McCutcheon love story.

Under his unique three-way contract with Mr. Schenck, von Stroheim also will direct "East of the Setting Sun" and play the gentlemanly, be-mocked villain. Constance went East about three weeks ago to shop and look over the latest Broadway plays, but she awaited telegraphic advice from Mr. Considine on gowns called for in the script before placing the order with the modiste. Norma Talmadge also is in the metropolis. She and her husband, Mr. Schenck, have been busy making the rounds of the current stage successes. The star is utilizing part of her New York visit to pick out some of the gowns and costumes she will wear in "Kiki," her next picture for First National. Miss Talmadge expects to return to Hollywood in time to begin work about November 1 on the screen version of David Belasco's stage success.

CONCERT SERIES IN YOUNGSTOWN INTEREST SALEM

Residents of Salem are interested in the series of concerts to be given at the Rayen-Wood auditorium in Youngstown, starting the night before Thanksgiving, Nov. 25, with a concert by John McCormack, the world's greatest tenor.

Other artists in this notable series of four include Galli-Curci, the world's most popular coloratura soprano, on Wednesday evening, Dec. 2; Padrevski, the world's greatest pianist, on Wednesday evening, Jan. 13; and Peodore Chailapin, the great Russian basso, who stands at the top in his particular field, both in opera and in concert. He will make his first appearance in Youngstown in this concert.

The concerts are under the management of Myra McKeeown of Youngstown, and May Beegle, well known impresario of Pittsburg.

Boston—A solid platinum diamond-studded automobile which was made in France is now on display in a Boston jewelry shop. The automobile is a pin not more than a half inch long. It is equipped with headlights of rubies running board of two diamonds and wheels that turn. In place of rubber tires around the rims, there is a circle of 20 tiny diamonds.

WAS NOT FIT TO DO HER WORK

Dreadful Condition of Mrs. Fullerton's Health Remedied by Lydia E. Pinkham's Vegetable Compound

Clearfield, Pa.—"I cannot begin to tell you how much Lydia E. Pinkham's Vegetable Compound has helped me in every way. Before taking it I couldn't stand on my feet without pains running all through my whole body from my waist down, just like threads pulling. I was not fit to do any work. My mother got me to try the Vegetable Compound and I have found great benefit, and I not only recommend it for such troubles, but to build up the whole system. I have used it for most everything that gets wrong with me. When I begin to feel nervous and irritable I don't stop long in getting a bottle of the Vegetable Compound if I haven't got one in the house. It gives a fine appetite and makes a new woman of me. You may use this testimonial in my own town or anywhere else, and I will answer any letters I receive."—Mrs. RUSH FULLERTON, 525 S. 2nd Street, Clearfield, Pa.

If you are suffering from nervous troubles, irritability, give the Vegetable Compound a fair trial. For sale by druggists everywhere.

Ag. Conference Will Not Be Reconvened

Washington, Nov. 7.—Announcement here today that President Coolidge has definitely decided not to reconvene his agricultural conference, was taken as an indication that the administration has definitely decided upon the farm policy it will seek to

have adopted in the coming session of congress.

The president and Secretary of Agriculture Jardine will concentrate on expansion of the co-operative marketing movement through extensive federal aid, it is understood. A conference has just concluded here between Jardine and co-operative leaders in which a definite plan was agreed upon unanimously.

Decision not to bring the agricultural conference back into session was influenced by a letter from former Gov. Robert D. Carey of Wyoming, chairman of the conference, in which he told the president he saw no need for further meetings.

END UNION PAIN FOREVER

No Need to Suffer Another Day Those Agonizing Torturing Pains

There is one simple, yet inexpensive way to reduce inflamed, swollen joints and set them down to normal and that is to apply Moore's Emerald Oil right and morning and people who suffer from such enlargements would be wise to reduce them before they reach a more or less chronic stage.

Ask The J. H. Lease Drug Co., Youngstown's drug store, Bolger & French or any first class druggist for an original two-ounce bottle of Moore's Emerald Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces lasts a long time and further more if this wonderful discovery does not give you complete satisfaction you can have your money refunded.

Special note: People who want to reduce swollen or varicose veins should get a bottle of Emerald Oil at once. Applied night and morning as directed they will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Columbus—For 38 years a college executive, Dr. W. O. Thompson retired Thursday as president of the Ohio State university. Town and gown, alumni and friends, the country over, public officials, presidents of other colleges and universities and faculty and students alike joined hands in doing him honor.

COURT NEWS

Salem Wife Asks Divorce

Through her counsel Homer H. Hickling of Salem, Hazel Piersel has filed an action for divorce against her husband William Piersel, who left Salem May 29, last and the plaintiff has related that she has heard nothing from him since.

The petition has also set up the allegation that Piersel has been guilty of extreme cruelty, that he frequently struck his wife and that on one occasion he struck her on the forehead, cutting open the skin, also that she had been knocked down by the defendant.

The couple were married Oct. 11, 1916 and one child is of issue. Divorce alimony and custody of the minor is sought in the pleadings.

Appeal's Court Later

The Appellate court of the Seventh Judicial District will not be able to sit in Columbiana county next Tuesday as had been assigned, the court being detained in Youngstown for another week.

"We have so much work in Mahoning county that we should remain there at least two weeks longer," Judge L. T. Parr declared today.

The appellate court of the Ninth Ohio Judicial District has been assigned to preside in Columbiana county next week. This court is composed of Judge William E. Pardee of Akron, presiding judge; Judge Ross W. Funk of Wooster and Judge Clarence G. Washburn of Elyria.

Only nine cases are to be considered by the court when it convenes in this county, and it is likely that several of these will be passed for cause.

The most important case assigned to be argued before the court is that of Willis O. Hall against Charles C. Ashbaugh and others of East Liverpool, which has to do with the final

"So say they all!"

To date—conservatively calculated—250,000 owners...

Not such an impressive total as automobile registrations, *en masse*, are recorded today...

But—Willys-Knight owners are not "mass" owners...

They are a select lot. Select, and selective.

The motor-car sophisticated. An owner-group value-wise.

Ask any Willys-Knight owner why he bought his Willys-Knight...

Ask him for a full and frank expression as to the *satisfaction* he has had in his car...

Ask him about engine-repair bills—about enforced lay-ups because of valve-grinding or carbon cleaning...

Question him about *performance*—about the condition of his engine, at 5,000 miles, at 25,000-and-50,000, at 75,000 miles or better...

And, above all, ask "If you ever had to buy another, what car would you next buy?"

An overwhelming majority of Willys-Knight owners will tell you they bought their present Willys-Knights for one of two reasons—

Either they had previous first-hand experience with another Willys-

Knight, or because one or more other owners told them in emphatic terms a Willys-Knight was the car they ought to buy!...

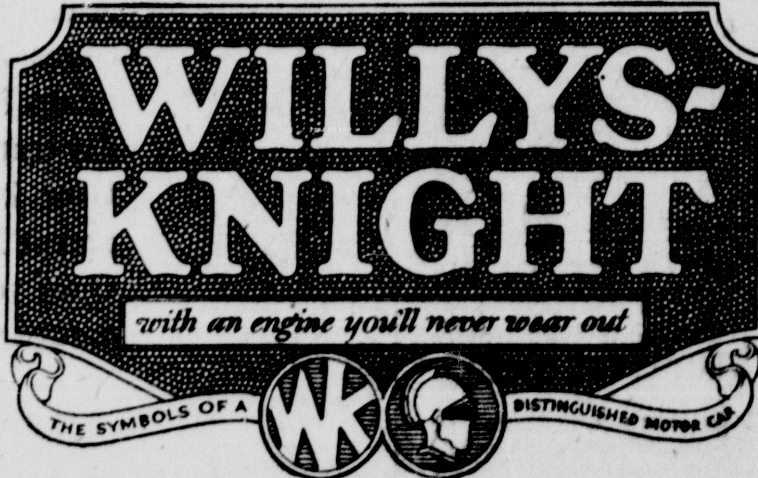

Anyone of the quarter-of-a-million will tell you that the service he has enjoyed has been literally flawless, through his entire period of ownership—that his engine-repair bills have been practically nil. As for valve-grinding or carbon complications of any character, these are outside his experience. He has never expended a dollar because of either, nor has he been without the use of his car for a day or a single hour!...

There has yet to be discovered the Willys-Knight owner who does not appear to exaggerate when the question of *performance* is to the fore. A sweet-running car, powerful, quiet, smooth, from the first turn of the engine—at 5,000 miles, as at 25,000-to-50,000, it

is still more powerful, still smoother, still quieter. And at 75,000 miles-and-over, an even greater improvement is in evidence. For this car is driven by the patented Knight sleeve-valve engine, the only motor-mechanism that improves with use—the only engine that, up to a mileage-point still undetermined after 16 years' use, increases in power, increases in smooth and silent running, increases in all-around efficiency with every mile!...

"Another Willys-Knight"—this is the answer, *inevitably*, to the query as to what car any one of the 250,000 present Willys-Knight owners again would buy. Extraordinary satisfaction. Extraordinary performance. Extraordinary long life. Naturally, your Willys-Knight owner is an enthusiastic owner. And he is steadfast in his loyalty. He will buy another Willys-Knight. He will recommend the same course to all who inquire

He knows that neither you nor he can realize such perennially magnificent service in any other car!

Try These Dumplings As Made By English Housekeepers

Some dumplings are baked, some boiled, some stewed. Some are steamed and served with sweet sauce. The diminutive of "dumpling" they take their name from the fact that they were originally thick, ill-shaped pieces, resembling a ball of bread dough. They are an important part of the British farmhouse cuisine because they are so satisfying. In the winter time you are likely to find dumplings on the daily menu in every country home.

BAKED APPLE DUMPLINGS

Mix six tablespoons flour, one-eighth teaspoon of salt together. Lightly rub in two tablespoons of butter or lard and then mix with enough water to make a smooth paste. Peel and core apples to this quantity of paste. Fill centers with a dab of butter rolled in sugar, with the addition of one or two currants, a grating of mixed lemon peel and a pinch of spice.

Roll out the paste onto a floured board to quarter inch thickness, cut into four rounds, wet the edges, fold over until the apples are quite covered, taking care that the edges are well joined, brush over with water, sprinkle with sugar, place on a greased baking sheet and bake for about 25 minutes. They may be boiled in cloths or nets, if a boiled dumpling is preferred.

CURRENT DUMPLINGS

Use one cup each of flour, finely ground breadcrumbs and currants washed and dried. Mix all together with about one-eighth teaspoon of salt, a teaspoon of dark brown sugar, a tablespoon of grated lemon peel, and a sprinkling of ground nutmeg, four beaten eggs and enough milk to turn the mixture into a rather stiff batter. Wet a cloth and pour the mixture into it, tie and boil for two hours. If made into individual dumplings, an hour is sufficient for boiling. Serve with a sweet sauce.

BUTTERMILK DUMPLINGS

Use one cup stoned dates, or the same quantity of seeded raisins and one-third cup washed and dried currants. Mix one and one-third cups sifted flour with one-half cup breadcrumbs, one tablespoon mixed allspice, one tablespoon baking soda and the same of baking powder and one-eighth teaspoon salt. Stir in a cup of buttermilk, add the fruit and put in a pudding cloth and boil for two hours.

OXFORD DUMPLINGS

Oxford dumplings are fried in hot butter and served with a sherry flavored sauce. Grate enough bread crumbs to make one cup, turn into a bowl and mix in one-half cup washed and dried currants, one-half cup finely

chopped beef suet, one tablespoon brown sugar, the grated peel of a half lemon and one-half teaspoon of allspice. Beat two eggs with a pint of milk and an eighth teaspoon of salt and stir this into the ingredients. Mix well, then divide into equal sized portions, roll them into dumplings and fry till well browned. Drain and serve on a hot dish.

CANDIDATES TIED FOR CITY AUDITOR

Alliance, Nov. 7.—A recheck at the Canton board of elections showed that Miss Elsie Whittingham, Democrat, and Charles O. Silver, Republican, were tied in their race for Alliance city auditor according to a report reaching this city late Thursday afternoon. The tie vote is the result of the closest fight for a political office staged here in years.

The count on election night gave the election to Silver by a majority of nine votes. The unofficial vote was: Silver, 2275; Whittingham, 2266.

LEETONIA

The first entertainment of the lecture course under the auspices of the Parent-Teachers association was held on Thursday evening in St. Paul's Lutheran chapel, the Brown-Menely entertainers of the Redpath entertainment bureau being the attraction.

The company consisting of Carl Brown and Glen Menely put on a splendid program of vocal solos and costume sketches. The music on the cathedral chimes was beautiful and in all a splendid program was given by the two young men.

Mrs. Harry Henderson of Lisbon stopped over in Leetonia enroute to Washingtonville where she attended a dinner party at the home of Mrs. Henry Richards in honor of the birthday anniversary of Mrs. John Kerkley, who had reached the age of 79 years. The aged lady was presented with a number of beautiful gifts by her relatives and friends.

Mrs. Helen McKelvey is visiting at the home of her daughter, Mrs. Michael Clemmens and family in Canton.

Mrs. Enos Tyson of Columbiana was a Leetonia business caller on Thursday.

Mrs. Susan Blosser went to Youngstown Thursday where she transacted business.

Friends here were grieved to learn of the death of Miss Maude Hoffstot at her home in Lakewood Thursday morning. The Hoffstot family lived in Leetonia a number of years ago at

LATEST IN STYLE FOR WOMEN

Paris, Nov. 7.—All the little furry animals are undergoing great transformations these days. The time is long past when furs were preserved year after year in the same shape and form. In fact, the humble Mister Rabbit would scarcely know himself as he appears on his mistress' new coat or frock.

Furs are now being treated like cloth or silk, subject to all their variations in color and cut. And not only are they made and re-made into garments of fashionable line and movement, but are combined into subtle geometric designs and marquetry patterns which the Exposition of Decorative Arts probably produced. Any piece of fur has now become a thing of great value which can be worn one season and transformed into something new and interesting the next.

Tinted and printed furs are novelties of the season and many of the furriers say that dyeing furs to match certain costumes is their principal occupation. Green, red and blue furs dyed the same tone as the fabric of the costume are featured by many of the leading dressmakers.

Green taupe appears on a coat of green kasha in a deep band around the bottom and in collar and cuffs worn over a green kasha dress, also trimmed in green moleskin. Colored lamb is frequently seen in both coats and frocks.

The short-haired furs naturally take the color better than the others, although colored fox is not uncommon and is very fashionable for the evening.

Learn How To Crochet

There is no more fascinating handiwork than a woman can do than crocheting.

Yokes, laces, edges and insertion for towels, medallions for card table covers and luncheon cloths, collar and cuff sets, bags, hats and rag rugs are only a few suggestions for crocheted articles which will beautify your wardrobe and your home.

Crocheting is not difficult to learn. Directions for the various stitches and illustrations showing each step are fully set out in the knitting and crocheting manual our Washington Bureau has for free distribution.
